Summary

Project manager with **14 years of experience** in web development, infrastructure, and client management; currently authoring more **front-end code**. I've been **building Drupal solutions for 11 years**, primarily for the nonprofit sector.

Recent Experience

Founder, Nonprofitable.org — Apr. '09 - Present

Built a startup developing **Drupal** and **CiviCRM** solutions. Extensive front-end development (**HTML, CSS3, light JavaScript**) for Drupal projects. Most recent engagement: Drupal curriculum development and in-person training for 11 university IT teams at the Ministry of Higher Education, Kabul, Afghanistan.

Past projects include a new University of Illinois admissions portal and College of Dentistry site (working with **Lime Red Studio**), advising startups on technology issues at eastern India's largest coworking and incubation space, and installing Afghanistan's first hypervisor as part of a USAID-funded Drupal training project.

Front-end Developer, Wedoria — Sept. '13 - Aug. '14

Authored responsive **HTML, CSS3, and jQuery** for a social media platform. Led documentation and planning for AWS and Elasticsearch infrastructure. Developed a custom cross-browser HTML5 video player. Extensive front-end refactoring.

Project Manager, Chicago Technology Cooperative — July '06 - Apr. '09

Managed **Drupal** and **CiviCRM** projects ranging from \$4k to \$0.5M for nonprofit clients. Attended two DrupalCons, co-organized the first Drupal Camp Chicago, and led nonprofit training workshops. Won Midwest Business' Best Political Blog award for the Progress Illinois site.

Director, Tech + Programs, Grassroots.org — Nov. '06 - Nov. '07

Oversaw design, development, support, hosting, and volunteer recruitment for **2,000+ nonprofit website projects**, including **1,400+ hosting clients**. Co-presented as a **finalist at the '07 Netsquared competition**. Developed the first nonprofit SEO grant program, led development on all internal Drupal websites, and assisted with a successful \$100k grant proposal.

Americorps VISTA Fellowship, CTCNet Chicago — Sept. '05 - Sept. '06

Built **Drupal websites for nonprofits**, led capacity-building efforts, organized state-wide digital excellence conference, and presented at the '06 CTCNet National Conference.
